**VOLUNTARY ANNOUNCEMENT  
PARTIAL RESUMPTION OF PRODUCTION FACILITIES**

This announcement is made by Dalipal Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) on a voluntary basis.

Reference is made to the Company’s announcement (the “**Announcement**”) dated 11 February 2020 in relation to the temporary suspension of operation of the production facilities of the Group after the Chinese New Year holidays. Unless the context requires otherwise, capitalised terms used in this announcement shall have the same meaning as those defined in the Announcement.

Given that the outbreak of the Epidemic has gradually become under control, and having considered the level of inventory and that there is sufficient number of workers who are able to attend the Group’s production facilities to resume production, the operation of the production facilities has been resumed. However, the reaching of full capacity of the Group’s production facilities may be affected by the development of the Epidemic, in particular the impact on the supply of raw materials and attendance of all workers at the Group’s production facilities in light of the travel restrictions implemented in some cities in the PRC. The operation of the Group’s operation facilities may be interrupted by any disruption to the supply of raw materials to the Group. To the best knowledge and belief of the Directors, based on information currently available and subject to further development of outbreak of the Epidemic, the Board considers such interruption to the operation to be temporary and the Group is in close communication with its suppliers and customers so as to minimise the impact on both parties.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
